## Color Changes:

[See video for indepth color change instructions]

This pattern requires a few color changes. Be sure to check the note in brackets {} to know when to change colors. Carry colors required for each round along with you before you need to do a color change.

For color changes with Color/Color (ex: 1 **Red**/**Blue**), make the first pull through with the first color (**Red**), and next with the second color (**Blue**) so that Red is on top and Blue is on bottom.

A **Red**/**Blue** stitch should look like this: 

## Color Changes:

~~White~~ = W      Black = B
